rage. It says:

The Leader is informed that the Herald After several ballotings, Andrew Stuart, rewas misiaformed as to the facts in the case ceived a majority of votes cast and was deof the rescue of a slave girl day before yes- calared the nominee of the convention. All terday at Salem.

heard the conversation, and saw the person- meeting. As is always the case will true pared just as the paper was going to prees acquiescense with the will of the majority.

with the slave, but saw much of the outnid a melee.

We are glad for the reputation of Salem to hear that an Abolition Convention was in ecesion, and hence the outrage. A comununication in the Leader says:

The first inquiry was made of the slave (who was found to be a child of ten or twelve years) by a colored man, as to who she was, Department to which he has been appointed and where she was going? The mistress is one of great responsibility and trust; but promptly replied for her chattle, that is none of his business."

We pronounce that a direct and wilful lie, and can prove that the mistress made no such answer, but civilly and promptly said the girl was a slave. Again the communica-"The colored man then asked the child

don't take me away," and clung with all he Leader says: "The mistress showed very good fight,

and called her husband, who gave all the and loud cries of murder could afford." That is lie No.3-an unmitigated lie.

the owner, and a penny thrust in his face the balance of the road is completed it wil by these resourers, to pay for his nigger, be but a triffing inconvent ace .- Coshoctan Moreover, the mob threatened to arrest the Democrat, owner, and said they had a warrent, and a Command gentlemen replied that if the at. F. P. NE WLAND, M. D. Utica, N. Y.

Lhave no hesitation in saying Dr. Marchisi's Utorine Cathe licou is invaluable in uterine disenses generally. I have used it in Fluor Albus, Amenorrhom, Prolapsus Uteri, and in cases of extensive ulcera-tion of the vaginiand of uteri. It is worthy of the JOHN C. ORRICK, M. D. Baltimore, Md.

John Miller's Estate. OTICE is hereby given that the undersigned has been appointed and qualified as executor of te last will and testament of John Miller, fate of Intrison county, Ohio, decensed. All persons in-created will take notice accordingly. Dated at Caiz this 25th day of August, 1854. JOSEPH DUNLAP, Executor. august 30, 1854.

Mechanics, Inventors and Manufacturers.

5570. IN CASH PRIZES. \$570. VOLUME TEN OF THE "SCIENTIFIC AMERcan' commences on the 16th of September. It is chiefly devoted to the advancement of the in-erests of Mechanics, Inventors, Manufacturers and Farmers, and is edited Lyanen practically skilled in the arts and sciences. Probably no other journal of the same character is so extensively circulated of the same character is so extensively circulated or so generally astoemed for its practical ability.—
Nearly all the Valusble Patents which issue weekly from the Patent Office are illustrated with engravings, and the claims of all the Patents are published regularly in its columns as they are issued, thus making it a perfect Scientific and Mechanical Encyclopedia of information upon the subjects of Mechanical Improvements, Chemistry, Engineering and the Sciences generally. It is published weekly in course form suitable for binding, and each volin quarto form suitable for binding, and each vol-ame contains Four Hundred and Sixteen Pages of Reading Matter, S. veral Hundred Engravings, with a full and complete Index. Its circulation on the last Volum exceeded 23 000 copies per week and the practical receipts in one volume are worth to y family much more than the subscription price The following Cash Prizes are offered by the Pubishers for the burtoen largest lists of subscribers but in by the let of January, 1855; \$100 will be iven for the largest list; \$75 for the second; \$65 for he third; \$55 for the fourth; \$50 for the tifth; \$45 for he sixth; \$40 for the seventh; \$35 for the eighth; 30 for the ninth; \$25 for the tenth; \$20 for the elev with; \$15 for the twelfth; \$10 for the thirteenth; and 55 for the fourteenth. The each will be paid to the order of the successful competitor immediately after he lst of January, 1855.
TERMS:—One copy, one year, \$2, one copy, six nonths, \$1; five copies, six months, \$4; ten copies,

six months, \$3; ten copies, twelve months, \$15; lif-teen copies (welve mouths, \$22; twenty copies, 12 months, \$25 in advance. Substitutes from all parts where the Philadapse permit, we could give more shandred certificates, from all parts where the Philadapse steep used, but evidence says, more convincing than the experience of an beent public men is found in their effect upon trul.

These Pills, the result of long investigation and study, are aftered to the public as the best and most complet which the present state of medical sources can afford. They are compounded to of the drugs themselves, but of the medical at the drugs themselves, but of the medical at the growth of against truncher, extracted by observed process in a state of parity and combined to ofther in such a manner as to insure the next results. This system of comparition for medicans has bendien of its system of comparition for medicans has bendien of its the Cherry Pertoral and Pills hour, to produce a more efficient remedy than bendients has bendien of the Cherry Pertoral and Pills hour, to produce a more efficient remedy than bendients because the system of comparition, every medicine is burdened with note of the contains end in the contains and injurious quantities of each anisotance unpleased are left behind, the critical process. All the inert and outcomes qualities of each anisotance unpleased are left behind, the current of each anisotance that any medicine known to the world.

As it is frequently expedient that my medicine known to the world.

As it is frequently expedient that my medicine known to the world.

As it is frequently expedient that my medicine known to the world.

As it is frequently expedient that my medicine should be taken under the counted of a attenting Physician, and us he could not properly have a x-remedy without known and to the world.

As it is frequently expedient that my medicine the accuracy for mall properly have a x-remedy without known and to the world.

As it is frequently e Hetel, and others.

Did space permit, we could give more hundred

Their life consists in their mystery. I have no may steries.

The composition of my preparations is laid even to all men, and all who are competent to judge anothe subject freely acknowledge their controlled, of their intrinsic ments. The Cherry Pertoral was pronounced by scientific men to be a wonderful medicine before its effects were known. Many resistent Physicians have declared the assurable of my Pilks, and even more confidently, and are willing to certify fast their anticipations were more than realized by their effects upon trial.

They operate by their effects upon trial.

They operate by their powerful industries on the internal vicers to purify the blood and alimalized it into healthy action—remove the obstructions of the stomach, howels, liver, and other occurs of the body, restoring their irregular action to beatth, and by correcting, wherever they exist, such decanguments as are the first origin of discusse.

Being sugar wrapped fley are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.
